TECHNOLOGY BUSINESS INCUBATOR

The National Science and Technology
Entrepreneurship Development Board
(NSTEDB) established in 1982 by Govt. of
India under the aegis of Department of
Science and Technology (DST) is an
innovative mechanism for promoting
knowledge driven and Technology
intensive enterprises. The Board having
representatives from Socio-economic and
Scientific Ministries/ Departments, aims at
converting "Job seekers" into "Job
generators" through Science and
Technology interventions.

The management is very keen to train
and facilitate the young graduates of St.
Peter's University and eligible persons with
innovative ideas among the public to
become entrepreneurs.. The management
of St. Peter's Engineering College has
accordingly provided all the facilities to the
TBI with a built up area of more than
5000sqft to begin with.

Sophisticated CNC Milling Machine
from Taiwan and other utility equipments
from Hindustan machine tools Ltd have
been procured and installed so that the TBI
workshop can undertake any type of work
related to the thrust area "Refrigeration and
Cold Chain" and other new product
development.

Why care about IPR?

Creativity and innovation are the new
drivers of the world economy. Within
knowledge-based, innovation-driven
economies, the intellectual property system
is a dynamic tool for wealth creation
providing an incentive for enterprises and
individuals to create and innovate; a fertile
setting for the development of, and trade in,
intellectual assets; and a stable
environment for domestic and foreign
investment. Patents benefit none other than
the owner of the IP and add value to all
industrial as well as business concerns and
laboratory discoveries and in doing so
provide incentives for investment into their
development.

What will be the content of the program?

- The seminar will give a comprehensive
introduction to IPR regime in India.
The lectures will cover
- 1.Introduction to Intellectual property rights
 - 2.Copy rights and related issues
 - 3.Patenting and copyright procedures
 - 4.Case studies on IPR and Patent Search

Faculty from Centre for Intellectual
Property rights, Anna University and
IPR office, Guindy, Chennai will be the
resource persons.
